6. VISITING FACILITIES: All regular visits will be held in the Visiting Rooms of the USP, FCI, SFF, and SCP, respectively.

All visitors are required to ensure they arrange for transportation to and from the institution and that it is available in the event a visit is terminated or denied. Visitors will not be permitted to wait on the grounds of FCC Hazelton. Visitors will not be allowed to wait in the visitor's parking lot or the Front Lobby area.

In the event the Visiting Room becomes overcrowded, it may be necessary to limit the length of visits or the number of visitors. The decision to limit the duration of a visit will be made by the Operations Lieutenant or IDO. The visits of local and/or frequent visitors will be terminated first.

7. VISITING TIMES: Regular visiting hours for the USP, FCI, SFF, and SCP are from 8:00 a.m. to 3:00 p.m. Saturday, Sunday and Federal Holidays. No visitors will be processed after 2:00 p.m.

Special Housing Unit visiting at the USP, FCI, and SFF will be 8:00 a.m. to 3:00 p.m. on Sundays while General Population visiting is taking place.

At the USP and FCI, only two (2) visitors will be allowed in the non-contact visiting rooms at one time. These visits will not exceed one (1) hour and will start when the inmate is placed in the non-contact room. Visits conducted for Special Housing Unit USP and FCI inmates will be completed one half hour prior to general population visits.

Visitors are discouraged from arriving prior to visiting hours. Processing of visitors will normally begin no earlier than the established visitation hours.

8. NUMBER OF VISITORS: The maximum number of visitors an inmate may have at one time is six, including children. A maximum of four adult visitors will be allowed in at one time. Children age 16 and above will be counted as one adult visitor. Written visiting guidelines have been established for the USP, FCI, SFF, and SCP Hazelton and are contained in Attachment A, Visiting Regulations. These guidelines should be sent to all approved visitors by the respective inmate. These guidelines will also be available during normal visiting hours in the respective lobby.

9. REGULAR VISITORS: Typically, the inmate will have known the proposed visitor(s) prior to their incarceration. The Warden is the approving authority to any exception to this requirement. Once an inmate's visitors are approved, the inmate will be given a copy of the appropriate visiting regulations along with the list of approved visitors. It is the responsibility of the inmate to notify the visitors of approval/disapproval and to inform the visitors of the visiting guidelines (Attachment A).

The Visitor Information Form (BP-A0629), Attachment B, will be used to request background information and obtain the visitor's consent to release information. This form will be filed in section 2 of the Privacy Folder in the Inmate Central File. If the background information reveals that visitation privileges for the individual would present security concerns or disrupt the orderly running of the institution, the Warden may deny visiting privileges. Documentation reflecting this decision should be maintained in section 2 of the Privacy Folder in the Inmate Central File.

The visiting list may be amended by the inmate's submission of an Inmate Request to Staff Member form to his or her Unit Team indicating the desired change once every ninety (90) days.

A. Members of the Immediate Family:

USP/FCI/SFF: Upon arrival, each inmate may complete and submit to their Unit Team, a List of Requested Visitors (Attachment C), for members of their immediate family. Immediate family members will be allowed to visit for thirty (30) days pending the outcome of their background investigation to determine their criminal history.

SCP: Upon arrival, each inmate may complete and submit to their Unit Team a List of Requested Visitors (Attachment C) for members of their immediate family. Immediate family members will be allowed to visit. During Admission and Orientation, each inmate will complete and submit to their Unit Team a List of Requested Visitors. A background investigation will be conducted on these visitors.

A finalized list will be prepared and forwarded to the Visiting Room and entered into the Web Visiting Program by unit staff, following the investigation of the visitors. Unit staff will maintain hard copies in the inmate's Central File and the Visiting Room file cabinet.

B. Other Relatives, Friends and Associates: Visitors who are not immediate family members must submit a new Visitor Information Form allowing a new background check, if the one on file is more than five (5) years old. These individuals will not be considered for approval until a new form has been received and the background check has been updated.

Unit Counselors will require background information from all potential visitors who are not members of the inmate's immediate family before placing them on the inmate's approved visiting list. When little or no information is available on the inmate's potential visitor, visiting may be denied pending receipt and review of necessary information, including information which is available about the inmate and/or the inmate's offense, including alleged offenses. The Warden, or his designee, may make an exception to this procedure when warranted.

Ordinarily, a visitor not meeting prior relationship requirements will be denied. However, under special circumstances the inmate can request a waiver through the Unit Counselor. The Warden, or his designee, will be the final approving authority. A copy of this approval will be forwarded to SIS.

C. Persons with Prior Criminal Convictions: The inmates' Unit Team will give consideration to the nature, extent and recentness of convictions, as weighed against the security considerations of the institution. Specific approval of the Warden will be required before such visits take place. Ordinarily, staff should obtain written authorization from the appropriate federal or state probation/parole official prior to approving visitation privileges for an individual on probation, parole, or supervised release. A copy of this authorization will be maintained in section 2 of the Privacy Folder in the Inmate Central File.

D. Children Less than Sixteen: Children under the age of 16 may not visit unless accompanied by a responsible adult. Children will be kept under supervision of a responsible adult. Exceptions in unusual circumstances may be made by special approval of the Warden. The signature of a parent or legal guardian on the Visitor Information form (BP-A0629) is necessary to process a request for an applicant less than 18 years of age. Ordinarily, completing the questionnaire portion of this form (items 1 through 14) is not required if such an applicant is a verified immediate family member of the requesting inmate.

In unusual circumstances, the Warden, after consultation with Regional Counsel, may make exceptions to the requirement for acknowledgment by parent or legal guardian.

10. SPECIAL VISITORS: Unless specified by each facility, the conditions of visiting for special visitors are the same as for regular visitors. Special Visits are arranged by the Unit Team. The Unit Team will refer all individuals being considered for a special visit to the SIA/SIS and Captain for an additional background check and approval. A memorandum through the designated Associate Warden over Unit Management or Correctional Services requesting approval of a Special Visit will be submitted by the Unit Team to the Warden. Copies of the approved memorandum will be provided to the Captain, Operations Lieutenant, Control Center, Visiting Room and Front Lobby Officer Stations. Unit Managers will provide the Visiting Room Officer with a typed, signed copy of a memorandum approving a Special Visit prior to the visit. Visits on non-visiting days or after regular hours must be approved and supervised by Unit Staff.

- A. Business/Consular Visitors: In those instances where the inmate has turned over the operation of a business or profession to another person, there may be an occasion where a decision must be made which will substantially affect the assets or prospects of the business. The Warden accordingly may permit a special business visit in such cases. The Warden may waive the requirement for the existence of an established relationship prior to confinement. The inmates' Unit Team will be responsible for setting up and supervising these types of visits. The Visit may occur during regular visiting hours and then would be supervised by regular visiting room staff.

When an inmate is a citizen of a foreign country, consular representatives of that country may visit on matters of legitimate business. The requirement for the existence of an established relationship prior to confinement does not apply to consular visitors. The inmates' Unit Team will be responsible for setting up and supervising these types of visits. The visit may occur during regular visiting hours and then would be supervised by regular visiting room staff.

- B. Representatives of Community Groups (PVS, Volunteers, etc...): The Prisoner Visitation and Support Program (PVS) is a valuable volunteer program. The focus of PVS has always been to visit and provide moral support to inmates who do not ordinarily receive visits from family and friends. Through this program, inmates who are otherwise alienated from the community have the opportunity to develop healthy relationships and benefit from interaction with the PVS volunteers. Volunteers at Hazelton are allowed to carry paper and writing implements into the Visiting Room. They are to be processed at the Front Lobby as Volunteers.

Their visits are not to be charged against social visits, but will be conducted during normal visiting hours. They are expected to adhere to the institution dress code and visiting policies.

- C. Clergy: The requirement for the existence of an established relationship prior to confinement for visitors does not apply to visitors in this category.

1. Minister of Record: An inmate wanting to receive visits from his minister of record must submit a written request to the Chaplain. Upon approval, unit staff will add the visitor to the inmate's visiting list. An inmate may only have one minister of record on his visiting list at a time. The addition will not count against the total number of authorized regular visits an inmate is allowed. Inmates will be allowed two ministers of record visits per month.

2. Clergy: Visits from clergy (other than the minister of record) will be in accordance with the general visitor procedures, and will count against the total number of regular visits allowed. Ordinarily, clergy visits will not be accommodated unless requested by the inmate. However, the Chaplain may approve a visitation request initiated by the clergy if the inmate wishes to visit with the clergy. These visits will be accommodated in the Visiting Room during regularly scheduled visiting hours and, to the extent practicable, in an area of the Visiting Room which provides a degree of separation from other visitors. If a private area is not available, the visit may be rescheduled.

11. ATTORNEY VISITS: Attorneys are encouraged to visit during regular visiting hours. Attorneys must show a valid bar card or other suitable professional identification, and pass through the metal detector before entry. Attorneys' briefcases and papers being introduced into the USP, FCI, and SFF will be searched for contraband by use of the X-ray machines located in the respective front lobbies. Attorneys' briefcases and papers being introduced into the Satellite Prison Camp (SCP) will be hand searched for contraband. The use of cameras or recording equipment without the written consent of the Warden is prohibited.

All attorney visits will be scheduled through the appropriate Unit Team and monitored by Unit Staff. The attorney and his/her client will be afforded privacy in the attorney room located inside the Visiting Room of the USP, FCI or SFF respectively. If the attorney rooms are in use, the attorney is to be offered the opportunity to reschedule the visit when a more private area is available. If it becomes necessary for the inmate to bring pertinent legal material into the Visiting Room, Unit Staff will bring the materials into the Visiting Room. At the SCP, all attorney visits will be afforded privacy in the Camp Conference Room during visitation hours. On non-visiting days all attorney visits will be conducted in the SCP Visiting Room. USP, FCI, and SFF attorney visits scheduled during normal visiting will be monitored by the Visiting Room staff. Visits scheduled during non-visiting hours will ordinarily be supervised by Unit Management staff.

12. MEDIA VISITS: Requirements for media visits are governed by the provisions on contact with news media. A media representative who wishes to visit outside his or her official duties, however, must qualify as a regular visitor or, if applicable, a special visitor.

Request for interviews with inmates by recognized law enforcement agencies must be approved by the Special Investigative Supervisor (SIS/SIA) with notification to the respective Unit Manager. SIS Staff will provide escort and supervision of the interview in an area other than the visiting room if regular visiting is in progress or for reasons of security.

Unit Managers will provide the Visiting Room Officer with a typed, signed copy of a memorandum approving a Special Visit prior to the visit. Visits on non-visiting days or after regular hours must be approved and supervised by Unit Staff.

13. TRANSPORTATION ASSISTANCE: Pay phone service is not available at FCC Hazelton. Visitors should ensure transportation to and from the grounds are arranged prior to any visit. In cases of emergency, the Front Lobby Officer may provide a call.

This area has no public transportation (city bus service) between the institution and surrounding areas. However, there are private transportation services that are available. Privately owned vehicles or rental vehicles are suggested.

14. VISITS TO INMATES NOT IN REGULAR POPULATION STATUS:

- A. Outside/Local Hospital Visits: Visits for inmates hospitalized in the community will be determined by the Warden or Acting Warden only. If a visit is approved, it will be limited to immediate family. Unit Team or the Institution Duty Officer will supervise these types of visits. All visits will be subject to the general visiting policy of the local hospital. Approved visitors will be notified to report to an area of the local hospital designated by the staff member supervising the visit. Visits will be limited to two (2) hours.

Request for interviews with inmates, by recognized law enforcement agencies, must be coordinated with the Special Investigative Supervisor (SIS/SIA) and approved by the Warden with notification to the respective Unit Manager. SIS Staff will provide escort and supervision of the interview in an area other than the visiting room if regular visiting is in progress or for reasons of security.

- B. Institution Hospital Visits: When visitors request to see an inmate who is hospitalized in the institution, the Chief Medical Officer or the Health Services Administrator, along with the Captain, will determine whether a visit may occur, and if so, whether it may be held in the hospital. When a visit is denied due to the condition of the inmate or other conditions which may preclude the visitor from visiting in the institution hospital, the situation is to be carefully and sensitively explained to the approved visitor. Documentation of this will be maintained in section 2 of the Privacy Folder in the Inmate Central File.

- C. Detention or Segregation Status: At the USP and FCI inmates housed in SHU will receive Non-Contact Visitation. These inmates have displayed behaviors which pose a threat to the secure and orderly running of the institution. These inmates will visit in the non-contact visitation rooms located in the Visiting Area. Only two (2) visitors will be allowed in the non-contact visiting room at one time. These visits will not exceed 1 hour and will start when the inmate is placed in the non-contact room. The point system will still be in effect for the USP.

Inmates at the SFF who are housed in SHU will visit in the visiting room at a table/area designated by the Visiting Room Officers. These inmates will not be allowed in the Parenting Room at the SFF.

15. PROCEDURES: Visiting is a positive activity for inmates and visiting will normally take precedence over other institutional activities. In the event of an institution emergency, inmate visits may be terminated or limited at the discretion of the Warden.

- A. Identification of Visitors: All visitors are required to present acceptable means of picture identification prior to admission for a visit. Acceptable identification is a picture ID with a signature. This may include, but are not limited to, a valid driver's license, valid state identification card, passport, or other official government-issued picture identification. Photo identification is required for persons 16 years of age and over. If a visitor does not present identification with a photograph, the visitor will not be allowed to visit. Lobby / Reception Center staff having any questions or concerns regarding acceptable identification during visitor registration will refer the matter to the Operations Lieutenant.

Staff assigned to the Front Lobby and Message Center will verify the identity of each visitor through an acceptable means of identification. Visitors under the age of 16 who are accompanied by a parent or legal guardian are exempt from this provision. Visitors will be on the inmate's visiting list or the Front Lobby Officer will have a signed memorandum with the visitor name and dates of the visit listed.

- B. Exit Procedures: For the USP and FCI at approximately 2:30 PM, Visitation Staff will begin to out-process inmates and visitors if there are 15 or more inmates in the Visiting Room. If there are less than 15 inmates in the Visiting Room, out-processing will begin at 3:00 PM. Visitation staff will notify one row at a time to exit and allow the inmate one short kiss and one short embrace with their visitors. Visitation staff will direct inmates to line up on the back wall adjacent to the inmate exit door in preparation for a second visual search. Visitors shall be directed to line up behind the Visitation Sallyport door in preparation to exit the facility. All other rows shall remain seated until directed to stand by the Visitation Officers.

At the SFF, upon the completion of visiting, an announcement will be made to the effect of, "Visiting is now over, inmates and visitors will be separated. Visitors please move to the north wall of the Visiting Room and inmates proceed to the south wall of the Visiting Room." Staff will then conduct a count and visually identify each inmate using the inmate commissary picture cards. Once all inmates are accounted for, staff will start releasing visitors.

Visitors will be properly identified by using their photo identification card which is attached to their Notification to Visitor (BP-A0224). Visiting Staff will also check the hand stamp under the ultraviolet light which is located

by the Visiting Room door. Visitors will be escorted to the Front Entrance sallyport. Visitors will be released in groups of no more than six at a time. Once inside the Sallyport, the visitor photo identification card and the hand stamp are re-verified by the Control Room Officer before the visitor is allowed to exit through the Front Lobby Sallyport.

Once all visitors have been cleared from the Visiting Room, the inmates will line up at the visual search room door for processing out of the Visiting Room. The same procedures will be followed at the Camp with minor changes. The ultraviolet light is not used, and visitors at the Camp are not required to be escorted out.

- C. Inmate Identification: Staff will make positive identification of inmates arriving at the Visiting Room for visits, utilizing the inmate's identification card or a picture card from Control if their identification card is lost or stolen. Staff will keep the inmate's identification card until the visit is complete to positively identify the inmate prior to the inmate returning to the compound.
- D. Notification to Visitors: Visitation Guidelines will be available to all visitors upon their request. Staff will have the visitor sign a statement (Attachment D, Notification to Visitor, BP-224) acknowledging that the guidelines were provided and declaring that the visitor does not have any article in his/her possession which the visitor knows to be a threat to the security of the institution. Staff may deny the privilege of visiting to a visitor who refuses to make such a declaration. Hazelton's Visiting Guidelines are attached to the Visitor Information Form which is sent to potential visitors. Additionally, rules are posted in the Visiting Room.
- E. Unauthorized Visitors: On occasion, individuals come to the institution to visit an inmate without prior approval or notification to staff. The requested visit will normally be denied. In cases where there are extenuating circumstances and Unit Staff is not available, the Operations Lieutenant will be contacted to render the final decision. When this occurs, the Operations Lieutenant or Institution Duty Officer will notify the inmate of the decision.
- F. Searching Visitors: Staff assigned to the Front Lobby at the USP, FCI or SFF, and Reception Center at the SCP may require a visitor to submit to a personal search, including a search of any items of personal property, as a condition of allowing or continuing a visit.

1. Metal Detector/ION Scan/X-ray Machines: At the USP, FCI and SFF all visitors entering the institution are required to pass through the metal detector located in the Front Lobby.

The Front Lobby officer will use discretion while reasonably attempting to identify the area of the visitor which is setting off the metal detector. If the Officer is unable to identify the source of the metal on the visitor, the visitor will be denied access into the institution.

All visitors are subject to random or reasonable suspicion testing with the ION Spectrometry Device. Specific procedures for this device are listed in Hazelton's Institution Supplement ION Spectrometry Device Program.

All visitors' jackets will be scanned through the X-ray machine located in the Front Lobby at the USP, FCI or SFF. Any visitor refusing to submit to this procedure or who fails to pass the metal detector and/or drug detector and/or a handheld detector will be denied access into the

institution. The Operations Lieutenant or Institution Duty Officer will be contacted and it is his or her responsibility to inform the visitor that he or she will not be allowed into the institution. The Front Lobby Officer will generate memorandums (Attachment E) notifying the visitor they are not allowed into the institution, and (Attachment F) which will be submitted to SIS, the Operations Lieutenant, and Captain concerning any drug testing failure and attach the testing information from the ION Scan. The Front Lobby Officers will follow the specific instruction contained in the current ION Spectrometry Device Program Institution Supplement concerning ION Device searches.

- G. Search of Inmates: All inmates entering the SCP Visiting Room will be pat searched and screened with a metal detector before entering the Visiting Room.

All USP and FCI inmates, with the exception of SHU inmates, will receive a visual search prior to entering the Visiting Room. All SHU inmates will receive a visual search before departing SHU.

All SFF inmates will be randomly visually searched when entering the visiting room. At the USP, FCI and SFF, all SHU inmates will be pat searched before departing the Visiting Room and visually searched on return to SHU, to include a new issue of clothing. All USP, FCI and SFF inmates will be visually searched prior to returning to the General Population.

Periodic visual searches will be conducted at the SCP prior to inmates departing the Visiting Room. The inmate will be required to completely remove all their clothing prior to the search commencing. Due to the nature of the visual search, a one staff member to one inmate ratio will be maintained. At no time will more than one inmate be visually searched in the presence of other inmates unless emergency conditions exist.

At the USP and FCI visiting search area, the inmate will be visually searched and then place all of their outer clothing into a labeled laundry bag. The clothing inmates wear to the visiting room will be secured with their name on it and will be returned to them once they complete a second visual search at the completion of their visit. At the USP, following the second visual search, visitation staff will direct the inmate into the Green Corridor. The Green Corridor Officer will line each exiting inmate on the corridor wall and maintain constant visual supervision. Upon completion of the visual searches, staff will escort no more than five inmates to R&D for scanning. Once scanned, inmates shall be placed into clean R&D cells until the last inmate in the group is scanned, then released back to their housing unit.

At the FCI, SFF and SCP, inmates will be allowed to enter the visiting room with one plain neck chain with religious medallion attached, one plain wedding band, prescription eyeglasses, one plain white handkerchief, one comb, approved religious head wear, photo tickets, and plain hair ties at the SFF only. Items not authorized upon the inmate's departure will be considered contraband and confiscated. No item of property will be stored for the inmate in the search area. At the USP, inmates will be allowed the following items into the visiting room: 1-wedding band, 1-plain neck chain with religious medallion, prescription glasses (no sunglasses unless medically approved), authorized religious head wear and photo tickets. At the USP, FCI, and SFF, the Visiting Room Officer will complete a Visiting Room Inmate Property Sheet (Attachment G) for all inmates entering the Visiting Room. This form will be retained for one year in the Visiting Room Officer's file cabinet, located in the Visiting Room.

The Visiting Room staff, in conjunction with the SIS, will determine inmates who are suspected of introducing contraband. Surveillance cameras located in the Visiting Room will be used to monitor these inmates.

- H. Record of Visitors: The record of visitors is recorded on the Bureau computerized Visiting Room Program. Form BP-224, Notification to Visitor will be filled out by all visitors and is maintained at each respective visiting room by the Visiting Room Officer. Additionally, all visitors are required to sign in the log book located in the Front Lobby. An electronic computerized PDF file system has been established to serve as the backup-visiting system. The PDF file system will be backed up weekly by the Front Lobby Officer at each respective Lobby or Reception Center. At no time will staff allow inmates or visitors to view any visiting file.
- I. Supervision of Visits: At the USP Visitation Officers will direct inmates to sit in maroon colored chairs. Inmate's hands must remain on the top of the tables at all times. At each facility the visiting room officer will ensure that all visits are conducted in a quiet, orderly, and dignified manner. The visiting room officer may terminate visits that are not conducted in the appropriate manner. Personal effects visitors may bring into the institution are addressed in Attachment A. Visitors may not bring food items into the Institution.

There are vending machines in the Visiting Rooms for use by the visitors. It is not permissible for inmates to accompany their visitors to the vending machine area of the Visiting Room. Inmates and visitors are not permitted to remove any vending items from the Visiting Room.

At the USP and FCI, a red line boundary will be placed in front of the Vending area. Only two visitors shall be allowed inside the boundary at one time. All food items bought from the vending machines by the visitor will be removed from the original package and placed on a designated plate. This includes food items to be microwaved and candy products purchased. Food to be consumed by the visitor will be placed on a different color/shape plate than the food bought and prepared for the inmate. All drinks purchased from the vending machines will have the labels removed prior to returning to the seating areas. Inmates and visitors are NOT permitted to share any food items or drinks at any time.

The Captain will review any items prior to placement in the vending machines. Staff will supervise each inmate visit to prevent the passage of contraband and to ensure the security and good order of the institution. The Visiting Room staff, in conjunction with SIS, will determine inmates who are suspected of introducing contraband. Surveillance cameras located in the Visiting Room will be used to monitor these inmates.

If an inmate is suspected of introducing contraband, the surveillance VICON archive will be maintained and evidence control procedures will be initiated.

All seating, attorney rooms, non-contact rooms and inmate access areas of the visiting room will be monitored with the use of video surveillance cameras. Visiting room staff will position themselves to ensure all inmate access areas of the visiting room can be visually observed.

Restrooms are provided for visitors. At the USP, FCI and SFF, inmates will utilize the facilities located in the visual search room, and all inmates will be pat searched prior to and at the completion of, using the facilities. Inmates will remain in constant visual supervision of escorting staff. The inmates' restroom in the visiting area will remain locked at all times. Inmates will not utilize visitors' restrooms.

- J. Parenting Program / Child Area: The Education Department has the responsibility of developing the curriculum and facilitating the Parenting Program at the USP, FCI and SFF. The Education Department will insure a list of participants is provided to the Lieutenant's Office and respective Visiting Room Officers. The USP/FCI/SFF Lieutenant's Office will provide a list of inmates who are not authorized in the Parenting/Child area at any time. These restrictions may apply to inmates who have violated rules in the visiting room or for other security concerns as deemed appropriate. At the USP/FCI the Parenting Program has been designated to a specific corner of the visiting room.

At the SFF the program will be held in a specific room in the visiting room. At the USP/FCI, when the Parenting Program is not meeting, inmates are not permitted in this area. At the USP/FCI, the Visiting Room Officer may allow Children to get items such as games, books, or coloring books from this area to utilize.

The inmate and visitor are responsible for items taken from this area. At the SFF, the Education Department will have an inmate Education Clerk who will facilitate a signup sheet to allow inmates and their children to utilize the

Parenting Room when it is not in use for 1 hour. At the SFF, when the area is not being used by the parenting program, only 4 inmates and their children may be in the room at one time. Inmates and their visitors are responsible for what all actions which occur in the Parenting Room.

Items not authorized upon the inmate's departure will be considered contraband and confiscated. No items, other than exchanged clothing, will be stored in the search area.

- L. Proper Dress for Visitors in the Visiting Room: Inmates are responsible for informing prospective visitors that dress should be within the bounds of good taste and should not possibly offend others who may be present in the Visiting Room.

The following items WILL NOT be allowed: Hats, watches, transparent or sheer clothing, bib overalls (due to clearing security devices), open-toed shoes or sandals, spiked heel shoes, halter tops, sleeveless tops or dresses, shorts, miniskirts, culottes, Capri pants, or spandex. Clothing items will not be skin tight or sexually suggestive in nature. Dresses will not be shorter than the top of the knee. Blouses or other apparel of a suggestive nature (i.e., low-cut, V-neck, tank tops, any garment which reveals the mid-section, or skirts with slits above the knee) will not be allowed. No clothing with derogatory, sexually suggestive, or gang-related logos is allowed. Because inmates wear similar clothing in the institution, jogging and/or sweat suits will not be permitted to be worn into the institution. Sweatshirts/sweat pants and jogging outfits (pants or jackets) are not allowed to be worn in conjunction with regular civilian style clothing if similar to inmate clothing. All visitors will wear underclothing garments. All female visitors are required to wear a bra. Any other clothing that, at the discretion of the Operations Lieutenant or Institution Duty Officer, resembles the style or color of inmate clothing (i.e., khaki-colored clothing) will not be allowed to be worn into the institution. At the discretion of the Operations Lieutenant or Institution Duty Officer, children under the age of twelve (12) will be allowed to wear shorts. No bare feet will be permitted (excluding babies). Chewing Gum is not authorized in the Visiting Room for any reason.

Papers, packages, money orders, handbags and/or gifts are not to be allowed into, or exchanged in, the Visiting Room.

See Attachment A for authorized items visitors are allowed to bring into the visiting room. An inmate's visitor may not leave money with any staff member for deposit in the inmate's commissary account. Refer to the Trust Fund/Warehouse/Laundry Manual for additional information on accepting packages.

All visiting areas are "No Smoking Areas." No tobacco products of any kind are allowed in the visiting areas.

16. PENALTY FOR VIOLATION OF VISITING REGULATIONS:

- A. Terminating Visitors: The Operations Lieutenant or IDO has the authority to terminate visits for reasons of improper conduct on the part of the inmate or visitor(s). The right to have future visits may be denied as part of an administrative action for any visitor who attempts to circumvent or evade institutional regulations. In situations where visits are terminated or have been denied, the visitor(s) will immediately depart the institution grounds by way of taxi, personal vehicle, or other means of transportation. Under no

circumstances, will the visitor be allowed to remain on the institution grounds.

Visitors and inmates will be permitted limited physical contact, such as handshaking, embracing, and kissing and only within the bounds of good taste and only at the beginning and at the end of each the visit.

Any effort to circumvent or evade the visiting regulations established at this or any of FCC Hazelton facilities will not only result in the denial of future visits but may require that other disciplinary action or court proceedings be initiated against the visitor. 18 U.S.C. 1791, provides a penalty of imprisonment for not more than 20 years, a fine, or both for providing or attempting to provide to an inmate anything whatsoever without the knowledge and consent of the Warden. These Visiting Regulations are being provided to you in order to assist you in properly preparing for and participating in the FCC Hazelton facilities visiting program. Should you have questions, please do not hesitate to contact Unit Staff.

In an effort to eliminate the introduction of drugs and drug paraphernalia into Bureau institutions, the Bureau will seek criminal prosecution against visitors who participate in contraband violations. Additionally, as a disincentive for inmates found guilty of these violations, the Discipline Hearing Officer (DHO) or Unit Discipline Committee (UDC), may impose the loss of visiting privileges as a sanction.

Refer to the Program Statement on Inmate Discipline and Special Housing Units for information regarding loss of visiting privileges resulting from disciplinary action.

17. WALSH ACT REQUIREMENTS: Unit Team will evaluate all inmates on their caseload to determine if they have an inmate who has been convicted of a sex offense involving a minor. Any inmate fitting this criterion will have the following annotation placed in the visiting program under the comments section: "this inmate was convicted of a sex offense involving a minor."

Any inmate identified as having a Walsh Act assignment involving a minor will have his/her visits closely monitored.

18. VISITING REGULATIONS REGARDING PETS: Visitors are precluded from bringing animals onto institutional grounds, except for animals that assist persons with disabilities. The visitor must provide staff with certification that the animal is trained for that purpose.
19. OFFICE OF PRIMARY RESPONSIBILITY: Correctional Services
